ICCSA 2023 - 23rd International Conference on Computational Science and Its Applications
July 3 - 6, 2023 – Athens, Greece

In collaboration with the

Conference Tracks

<https://iccsa.org/themes>

1. Track: Computational Methods, Algorithms and Scientific Applications
2. Track: High Performance Computing and Networks
3. Track: Geometric Modeling, Graphics and Visualization
4. Track: Advanced and Emerging Applications
5. Track: Information Systems and Technologies
6. Track: Urban and Regional Planning

Conference Workshops

<https://iccsa.org/workshops>

Instructions for authors

<https://iccsa.org/instructions-for-authors>

Prospective authors are invited to submit papers to the General Tracks, the Workshops/Sessions, Short Papers and PhD Showcase Papers. The papers are categorized as follows:

- General Tracks/Workshop Papers: 12 to 18 pages
- LNCS Short Papers: 8 to 11 pages
- PhD Showcase Papers: 10 to 18 pages

All types of papers have to be formatted according to [LNCS](https://iccsa.org/instructions-for-authors) rules (<https://iccsa.org/instructions-for-authors>).

After the reviewing process, the accepted papers will be published in the Springer-Verlag [Lecture Notes in Computer Science \(LNCS\)](https://iccsa.org/instructions-for-authors) volumes.

Important Dates

From December 12, 2022: Abstract and Paper Submission
March 26, 2023: Deadline for abstract and full paper submission to the General Tracks. Workshops may have their own deadline
April 16, 2023: Notification of Acceptance
May 7, 2023: Submission deadline for the final version of the Proceeding Paper (hard deadline)
May 7, 2023: Registration ends (hard deadline).
July 3-6, 2023: ICCSA 2023 Conference in Athens, Greece
